

SPECIFICATIONS

DLF-510 Dry Lint Filter

System 500 models represent a design concept requiring minimum space to install while providing large area filtration screens. All models are tall, slimline, and compact; often referred to as "inline" or inside models. **System 500** models are all-weather construction and may be mounted outside.

The **DLF-510** is a high volume lint filter designed to fit with one 400-600 lb. dryer.
